The quoted rates are believed to be in accordance with the rates prescribed by the California Public Utilities Commission as published in its Maximum Rate Tariff 4 and are to be applied to the transportation and storage of all property or goods (including but not limited to appliance servicing, disassembly or reassembly of articles, flight or long carry charges, rigging, hoisting, lowering or elevator charges, shuttle charges, light and bulky article charges, split pick-up and/or delivery charges, storage-in-transit or storage in transit transportation charges from storage to point of destination, or charges resulting from a failure of shipper to accept delivery as arranged).

TERMS AND CONDITIONS

1. LIABILITY OF THE COMPANY OR WAREHOUSEMEN IN POSSESSION (HEREAFTER REFERRED TO AS THE ‘carrier’)

A. PERILS ASSUMED - The carrier assumes obligation against direct physical damage or loss to the property to be moved, packed, stored, shipped, forwarded, or otherwise handled from any external cause except as hereinafter excluded.

B. The carrier shall be liable only for its failure to use ordinary care and then only in the amount of customer's declared valuation of the goods. The burden of proving negligence or failure to use ordinary care shall be upon the shipper, to the extent that the shipper’s negligence or failure to use ordinary care is a proximate cause of loss or damage.

C. VALUATION

(1) The terms "Declared Valuation," "Agreed Value," "Released Valuation" as used in various Tariffs, Laws and Regulations are intended to have the same meaning and are used herein for the purpose of fixing the limit, under all conditions, of the amount of the carrier’s liability, for money damages, as rates and charges are based upon such declared and agreed value.

(2) Released Value less than the lesser of the following amounts:

(a) The actual cash value of the goods at the time of loss, allowing for depreciation and/or obsolescence or
(b) The maximum limit of liability established by the bill of lading and/or storage receipt.

(c) The actual costs and conditions to repair the damaged goods.

D. All applicable terms and conditions herein shall apply to property of customers, hereafter added to storage, and also when the property is ordered out of storage or is ordered to be removed from storage.

2. CARRIER LIABILITY FOR LOSS OR DAMAGE TO HOUSEHOLD GOODS IS LIMITED AS FOLLOWS AND IS REQUIRED BY ORDER OF THE CALIFORNIA PUBLIC UTILITIES COMMISSION UNDER ITS USBR NO. 136 SERIES: The liability of the carrier shall be limited by the following exclusions:

A. No liability shall be provided for the condition or value of perishable articles.

B. No liability shall be provided on the following items, unless the item is specifically listed on the shipping document by description and value: bills of exchange, bonds, certificates, checks, collections, bonds, shares of stock, securities, bullion, bonds, or bullion, notes, gold, silver, platinum, coins, jewelry, precious metals, precious stones, pearls, money advanced, insurance, labor, weighing, coopering, wrapping and other charges in relation to such property or any part thereof; also for all charges and expenses of storage, transportation, or other services; also for all lawful claims for attorney’s fees incurred in connection therewith. The carrier's lien shall secure all such costs and expenses in addition to its transportation and/or storage charges.

C. The carrier reserves the right to inspect these articles or appliances to determine whether they are in good working order before accepting them for shipment. The carrier assumes no liability whatsoever for returning, refocusing, or other adjustments of television set unless such services were made necessary due to carrier’s negligence.

D. No liability shall be provided for the condition or flavor of perishable articles. The carrier reserves the right to inspect these articles or appliances to determine whether they are in good working order before accepting them for shipment. The carrier assumes no liability whatsoever for returning, refocusing, or other adjustments of television set unless such services were made necessary due to carrier’s negligence.

E. No liability shall be provided for the condition or value of firearms, unless evidenced by external damage to such equipment, or unless said articles or appliances are serviced as provided in subparagraph (1) below. The carrier reserves the right to inspect these articles or appliances to determine whether they are in good working order before accepting them for shipment. The carrier assumes no liability whatsoever for returning, refocusing, or other adjustments of television set unless such services were made necessary due to carrier’s negligence.

F. No liability shall be provided for loss or damage arising out of the breaking of china, glassware, bric-a-brac, or similar articles of brittle or fragile nature unless packed by the carrier, and the broken or damaged articles shall be returned to the shipper at shipper’s expense.

G. Thequoted rates are believed to be in accordance with the rates prescribed by the California Public Utilities Commission as published in its Maximum Rate Tariff 4 and are to be applied to the transportation and storage of all property or goods (including but not limited to appliance servicing, disassembly or reassembly of articles, flight or long carry charges, rigging, hoisting, lowering or elevator charges, shuttle charges, light and bulky article charges, split pick-up and/or delivery charges, storage-in-transit or storage in transit transportation charges from storage to point of destination, or charges resulting from a failure of shipper to accept delivery as arranged).
